

# WORKSHOP DINNER

On Wednesday 20<sup>th</sup> September 2023

Starts at 19:30 in Curling Hall, Komarkova 12

The **WORKSHOP DINNER** will be held at the **CURLING HALL** located close by the **Roztyly** underground station (**line C**). The best way to reach the curling hall from the Masarykova college (workshop venue) is from **Dejvická** station (**line A**), and/or from the centre, to use the underground **line A** to **Muzeum** station and change there to the underground **line C**, direction **Háje**, 7 stations to the mentioned **Roztyly** station. The curling hall is about 4 minutes walking distance. As for the timing, **you will need about 40 minutes to reach the curling hall from the Masarykova college.**

Note: Specialists as well as instructors, **curling equipment** (sliders, stones, brushes) **will be ready to help anybody who would like to enjoy curling.** The temperature in the hall ranges from 6C to 9C, so **warm, loose sports clothing and sports footwear are appropriate.** Special emphasis is placed on footwear cleanliness, which is carefully checked before stepping out onto the ice. Each person taking part can get a special sleeve for one shoe which allows them to “slide” over the ice.
